**MARBLEHEAD EXPECTS TO BEAT SCULPINS**—Dave Morey's Magic Men will invade Swampscott tomorrow, weather permitting, to battle an old rival before a big holiday crowd. The Magicians this fall haven't the impressive record of other years, owing to loss of experienced players, but have been well groomed and ready to give their all against the Sculpins. Notwithstanding that Marblehead is favored to win, Coach Dave Morey is figuring upon a close battle, as Swampscott will strive to put everything it has into winning over the Red and Black. The Magic Men pictured here by the Item staff photographer, are: Kneeling, left to right, George Goodwin, Paul Hazeltine, Howard Knight, Charley Prince, Jack Daggett, Phil Kiely, Bob Parker. Standing, John Ferrin, Frank Chandler, Pete Barry and Frank Tuxbury.

Outplayed and outrushed a determined Alumni team showed fight necessary to win as they capitalized on a first period break to score and then held within their own twenty yard line on successive high school marches to eke out a 7-0 win on rain-swept Reynolds field Saturday afternoon.

Ponape

Sloppiness afoot and in ball handling slowed down the Headers attack when they got within scoring range and all threats petered out just short of the necessary distance.

The Marblehead Alumni grid team was not the best mudder but won the game from the High school Saturday afternoon at Joel Reynolds field where the going was bad and the field sloppy...The score was 7 to 0 for the Alumni, but the first downs were 11 to 3 for the High school...An early score brought victory for the Alumni...

And while on the subject of Marblehead football it is quite certain that Ralph Hewitt will be serving Uncle Sam before the leaves fall...He is expected to take his physical next month which means should he pass he will leave for the service sometime in June...This should leave a vacancy...Marblehead will have a football team and naturally a coach...Who will the coach be?...We heard whispers that Dave Morey, former Middlebury College coach, many accept the position...

English is still without a football coach...The same man whispered that Jackson Cannell, former Dartmouth coach, may get the English position...Then there is some story about a coach who directed a pro team...

The Alumni kicked off with Pete Barry receiving on the 25 and returning the oval ten yards. Two successive firstdowns by Johnny Larkin and Hank Chrowstowski brought the ball to the Alumni 35 before Rolfe intercepted Larkin's pass on the 44. An Alumni pass was subsequently intercepted by Barry on the High school 35. On the following play a lateral went bad and Kelley recovered for the Alumni on the High school 20. The Headers held for downs but could not gain on taking the ball and Larkin fumbled giving the ball to the Alumni on the 21. On the first play Lano passed to Kelley in the end zone for the only score of the game. The conversion was good when Sullivan

The remainder of the half and of the game was characterized by the inability of either team to put together enough yardage to reach scoring territory and the ball changed hands continually. The High School at times showed amazing power for a spring game with Johnny Larkin, Hank Chrowstowski and Frank Tuxbury being shaken loose at various times only to slip and fall on the wet turf. In the line for the High school Bill McMahon was particularly outstanding breaking through and throwing Alumni ball carriers for huge losses many times, and playing a sparkling offensive game as well.

Marblehead High School's new system operating from the single wing promised both power and speed with a little practice and polish and the team as a whole gave indications that they will be a threat in North Shore circles come next fall.

# Peabody Humbles 'Head Magicians in Opener

## Tanners Display Mid-Season Form; Moreymen Fight to End in Vain

Bogged down in the initial canter by the stubborn defense of the Magic Makers, an 83-yard scoring canter in the second by Jack Roche, launched the Peabody Tanners on a scoring spree to give the invaders a 21 to 0 win in the curtain hoister at Joel Reynolds Stadium Saturday afternoon.

In mid-season form the Tanners showed a versatile and tricky attack piling up plenty of yardage with their repertoire of reverses, laterals and a cut back through tackle, which proved especially devastating to the opposition.

The 'Headers presented a stubborn defense throughout four periods despite the story on the scoreboard. Jack Larkin's quick kicking, which frequently sent the hoghide sailing far over the heads of Peabody's secondary, was a factor in holding down the count.

The Tanners ice breaker came immediately following a Larkin boot which put the ball in play on the opposition's 17-marker. On first down, Peabody opened up with Roach scooting down the sidelines behind some excellent blocking.

In the wild jaunt was given perfect coverage, taking a lateral from Crabchuck, just as the latter was tackled and being escorted through the danger zone by McDonald and Crabchuck, who blotted out Marblehead's safety man. A Crabchuck to Keon pass made the conversion.

Peabody's counts in the third and final chukkers, resulted from sustained drives with the Magicians fighting for every foot of ground.

After the initial count the Magic Makers showed their staying powers by staving off a Peabody assault on their own five yard ribbon.

### HOURLIHAN SHINES

Meeting its most formidable foe on the current schedule, the Magic Makers entered the fray with less than three weeks training and without scrimmaging, shows latent possibilities which harbingers ill for future opponents.

Jack Hourihan, right end, injured on the Tanners' initial conversion, covered himself with glory in his first appearance in big time and his loss weakened the forward wall. "Bat" Masterson, fullback, and Bob Fowler, right guard, also making their initial bow, stood their baptism of fire like veterans. Masterson has played football just three weeks.

Chrowtoskie and Larkin comprised Marblehead's most potent offensive threats.

Peabody presented an all star aggregation with Roach and O'Connor sparking the club and Berger and Adamopolous leading the forwards.

# Headers Sneak Winthrop Win

## Last Minute Pass Brings Lone Tally

By BOB REMER

Capitalizing on a strong wind for their lone invasion of deep Winthrop territory, the Headers of Marblehead High soared to a final-minute 6-0 victory before 3000 at Miller Field, Winthrop, yesterday, in the initial gridiron meeting between these North Shore rivals since 1933.

In business-like fashion, the Headers responded to Dame Opportunity's first knock in the game's fading moments, scoring on a 12-yard aerial from halfback Johnny Larkin to end Hank Chrowtowski to upset the heavier Winthrop eleven that couldn't take advantage of its numerous scoring chances.

With its flashy scat-back, Milton "Bomber" Neal, consistently tearing off good yardage but failing to get down-field blocking, the home forces drove 45 yards to a first-down at the Marblehead nine, midway through the opening stanza before bogging down and losing the ball on downs one-yard away from the end zone.

Winthrop had another golden opportunity taking Marblehead's kick-out at the visitors' 29, but a first-down running play lost 10 yards, and the Headers finally took over at the 25. Again in the third period, with a favoring wind, Winthrop drove from midfield to the Marblehead 24, but here a holding penalty nullified the advance.

A 60-yard wind-carried punt by Larkin set the stage for the final-period winning touchdown. Winthrop's return kick, after three futile line plays, traveled only 14 yards to the Winthrop 46. A 23-yard pass successfully operated by the touchdown combination of Larkin and Chrowtowski clicked to the 26, but a pass interception momentarily stopped the advance at the 18.

Facing the prospect of a short wind-swept punt, or on the other a possible first-down just two yards away, Winthrop gambled and lost, Marblehead gaining possession of the ball at the 27. With the seconds ticking away, Larkin first passed to halfback Charlie Cross for a first down at the 14. Then Larkin uncorked a perfect strike to Chrowtowski who took the ball on the two, spun away from a would-be tackler, and went into touchdown territory standing up.

Three plays later, the ball game was over, and the Headers, in their second game of the season, had presented new coach Dave Morsey, former Bates College mentor, with his initial high school triumph.

# 'Headers Taken At Amesbury, 12 to 0

Making his Sarah Bernhardt in High school bootball, Charles "Nick" Papoulios, who enters the Armed Forces next week, ran roughshod over Marblehead to give Amesbury a 12 to 0 win in a Northeastern Conference loop contest Saturday on Landers field.

Judging from his final performance, Nick, who made a 55-yard counting canter in the final frame in addition to scoring in the second period, after the Carriage Towners had made a sustained march from their 40, should be particularly effective in a Tank battalion.

Papoulios was given excellent blocking which erased Marblehead's first and secondary defenses, and was ably abetted by Klien, a giant tackle, and 148-pound John Roberts, scat back who showed bursts of speed worthy of Marblehead's mighty little atom, Stace Clark, in his prime.

The Tassinari team, combined a ground and air assault effectively finding Marblehead's right flank vulnerable. Boody's fumble on Marblehead's three-yard ribbon early in the third period gave the Moreymen a break just when the Carriage Town juggernaut was rolling smoothly for another count.

Marblehead for the initial time this season presented a ground offense, although the Yachtmen's aerial attack was off form and the Headers were unable to complete a pass.

Frankie Tuxbury was a big ground gainer being brilliant on a reverse from Larkin and "Hank" Christowski on an end around play frequently steamed down field for huge gains.

Farthest north for Marblehead was in the second frame when they reached the Red and White 22 marker just as the half concluded.

Marblehead's tackling and blocking was conspicuous by its absence with the secondary missing many direct shots at the ball totor after the forwards had stripped his interference. Grappling hog hide hustlers high, resulted in several minor injuries and "Doc" Stanford Hopkins was on the greensward so frequently that Carriage Town fans gained the impression he was a Red and Black replacement. ## Beats Marblehead, 33-0, With Belleau in Star Role

By ED EARLE

SALEM, Oct. 7—Salem High remained in the exclusive unbeaten, untied and unscored-on schoolboy football set as the Witches used the high flying broom in sweeping Marblehead High, 33 to 0, for the fourth victory of the season on Bertram Field today. Quarterback Emilio Belleau was head broom man in avenging last year's upset by the Magicians.

### BELLEAU SCORES TWO AERIALS TWO OTHERS

The shifty 152-pound junior field general of the Witches put the Marbleheaders into the stocks and turned the key with two touchdowns and he pulled the trigger on two long passes for two more.

His second touchdown in the second period was a thriller. The Salem quarterback intercepted a pass and tight-rope'd the left sideline for an 85-yard scoring dash.

Ed Dion played a slashing, wide awake game for Salem while John Larkin, triple threat, and center Charley Prince stood out for the boys from the yachting capital.

Salem received the opening kickoff and drove 66 yards in five first downs with Belleau going over from the one-foot line. The Witches were set back the remainder of the period when Larkin kicked a long spiral to the Salem 11-yard line. Another kick outside at the Salem 24 plus a penalty put the ball on Salem's 10-yard string early in the second quarter.

### HEADERS' THREAT ENDS IN FUMBLE

Arman Longval kicked for Salem from the Witches' goal line and the ball was run back to the Salem 32. Two rushes gained a yard and Larkin shot an aerial. Belleau bolted into the scene for the interception, shot into the clear and was touchdown bound.

Steve Rizzotti recovered a Mar-

Dion recovered a fourth down fumble on the 14-yard line.

Shortly afterward Belleau and Dion collaborated in a 22-yard pass play for the final score.

## MARBLEHEAD 0, GLOUCESTER 0

Marblehead High and Gloucester High battled to a scoreless tie in the heavy turf at Marblehead yesterday.

Marblehead made the only scoring threat, in the second period, when it marched from its own 35 yard line to the Gloucester four, where it lost the ball on downs.

A forward lateral, from Johnny Larkin to Steve Chrotowski to Buddy Cross, was the most successful Marblehead play. Gloucester never penetrated beyond the Marblehead 20-yard line.

## 'Headers Crush Danvers High With Ease

Marblehead High Moreymen, at full strength for the first time since the Peabody curtain hoister, had a Roman holiday with Danvers rolling up a 34 to 6 score at Reynolds stadium Saturday afternoon. Donnie Sweetland was chief axeman in the massacre counting three touchdowns and shooting the works for two conversions.

Coach Dave Morey after establishing a first half 13 to 6 lead, yanked his replacements out of their blankets and before the game concluded had everyone on the 'Head squad with the exception of the team managers on the gridiron.

Sweetland launched his performance in the first chukker, retrieving a Danvers fumble and scooting 60 yards to crack the ice.

In the third period Co-Capt. Jack Larkin, intercepted a Roger's pass to set up Sweetland's second touchdown with Donnie taking the ball on a reverse and rambling 25 yards into the end zone. Larkin converted by rush.

Concluding his outstanding performance, Sweetland made his No. Three count in the final quarter terminating a sustained Marblehead downfield drive with Don circling his own right end for a 10-yard touchdown run and converting the point.

The procession got underway deep in Danvers territory. Larkin, Tuxbury and Barry grinding out 50 yards on a ground assault.

Marblehead's second count in the second period is credited to Pete Barry and Sweetland made the additional point by bucking the line.

# Morey Magicians Smite English Squad, 27-0

## 'Headers Furnish Big Surprise To Dazed Red and Gray Crew

By EARLE DAVIS

As surprising as Georgia's defeat of favored Alabama, a Marblehead High school eleven with all the legerdemain that has made it a potent foe for the past decade along the North Shore, blanked the Lynn English club which almost upset powerful Peabody a few short days ago, 27-0, before a tumultuous turnout at F. W. Fields stadium Saturday afternoon.

The Red and Gray contingent had evidently underrated a club which has been coming fast since its shelacking by the O'Brien Witches. The Moreymen, although failing to click for wins, has been hammering on the golden gates since Newburyport was lucky enough to win by a touchdown margin on Joppa's flats, and out-played Gloucester, with its mighty "Alexander the Great" before sending Danvers through the meat chopper.

Although the major honors were carried off by Co-Capt. John Larkin and Charlie Prince, who made scintillating runs, credit for the worse reverse English has suffered at the hands of a Marblehead team since relations were resumed in 1941 must go to the Morey frontier which finally hit its stride.

From end to end the Red and Black forward wall, the Achilles heel of the Moreymen since the opener, definitely outplayed the Morrismen. Replacements which have long been seasoning carried forward just as capably as the veterans, when Moorey shot them into the fracas.

Fighting doggedly through the initial half, when they reached the Head five-yard marker, the Morrismen cracked badly in the third chukker and did not offer a serious threat after Marblehead repulsed the invasion in the second quarter.

SCORE—Marblehead 0 7 14 6—27  
TOUCHDOWNS—Chandler, Sweetland, Prince, Cross. POINTS—Hazeltine (place kicks) 3.

OFFICIALS—Referee, Ed Leavitt;

Marblehead was off to the races in the first chukker following a swap of punts which gave the Headers a start on the enemy 40. Before the period ended Marblehead had pushed to the five through Larkin's 19-yard gallop, Don Sweetland's 25-yard jaunt and two thrusts by Donny which spotted the count as the period ended.

The Headers dug into their bag of tricks for the ice breakers with Pete Barry lateraling to Larkin who heaved to Frank Chandler in the end zone for the count. Paulo Hazeltine converted from placement.

From scrimmage, Larkin broke loose for a 76-yard canter shortly after the third stanza opened, being grabbed from behind by Bob Whelan on the Red and Gray four. Sweetland in three straight rushes counted and Hazeltine again booted the ace. The lid then blew off for the Morrismen, Prince intercepted a pass and scooted 65 yards to score. Hazeltine made his third conversion.

Larkin's pass interception on the English 30 launched the Headers on count No. Four in the fourth. John Stucke and Pete Barry made it a procession to the one-yard stripe and Charlie Cross smacked the line for six points.

The Shoe City outfit hit pay dirt in the second stanza with Whelan featuring the ground attack and combining with Gannon overhead. A Whelan to Gannon pass placed the oval on the five but the Moreymen stiffened and took over on downs. The summary:

# Safety Wins For Beverly

## Edges Marblehead 15-14 in Thriller

MARBLEHEAD, Nov. 11—Scoring a touchdown in the third period, forcing a safety and registering the winning touchdown in the fourth period, Beverly High overcame a Marblehead 14 point advantage to win 15 to 14 in a thrilling battle on the Joel Reynolds gridiron, Marblehead today.

It was Bobby Robinson's forward passing and kicking aided by Joe MacDougall and Bob Debner, a couple of ball clutching wingmen, and the line bucking and ball carrying of Louis Sabu Mazzaglia, a 136 pound halfback, that combined in the second half of the game to bring victory to Beverly.

### PRINCE FALLS BACK INTO END ZONE

The Robinson to MacDougall air route for 31 yards in the third period accounted for the Garden City's first touchdown. It was Robinson's pass to Debner that scored the conversion.

With the ball on the eight-yard line in the fourth period a Robinson pass was intercepted by Marblehead's Charlie Prince almost on the goal line and Prince fell back into the end zone for a safety and two points for Beverly.

The winning Beverly score came with five minutes left to play. Robinson sent Mazzaglia and Frank Marchelli through the line for gains with Ralph Lewis finally going off his own right side for eight yards and the touchdown. Robinson's forward for the conversion was knocked down.

Marblehead scored in the opening period when Robinson, kicking from his own end zone into the wind, booted only to the 19 and Johnny Larkin on first down ran the 19 yards for the score. Frank Hazeltine place-kicked the extra point.

Prince intercepted a Robinson pass on the Beverly 42-yard line to set up the march for the second Marblehead touchdown in the second period. Then Hank Chrowtowski on an end around play and Larkin on buck reached the Beverly eight-yard line with Larkin eventually going around his own right side from the eight to score.

# Saugus Maintains Clean Slate; Rolls Over Marblehead, 25-0

MARBLEHEAD, Nov. 18—Saugus High continued on its unbeaten way today at Reynolds Field, walking over a hapless Marblehead team, 25-0.

Held scoreless in the first period, the Sachems started rolling when a pass from Franny Pyszko to George Spinney carried to within a foot of the Marblehead goal. Bob Kane plunged the remaining distance for the first score.

Bob Kane and Franny Pyszko alternated carrying the ball in the 60-yard drive for Saugus' first third-period touchdown. The score was made when Pyszko carried over from the one.

The thrill of the game came later in the same period when Al Mason went through a wide-open hole in the Marblehead line and then sprinted down the sidelines 88 yards for the score.

The Sachems made it 24-0 when Tom Sheehan ran around Marblehead's right end for 43 yards and another touchdown. Bob Kane got his seventh point of the afternoon when he booted the conversion.

Marblehead threatened only once, and that was late in the fourth period when the Sachem seconds were on the field. The Headers drove to the Saugus nine, only to lose the ball there on downs.

## Saugus Downs Headers, 25-0; Al Mason Stars

By ED EARLE

MARBLEHEAD, Nov. 18—It was a holiday for blocking back Al Mason, Saugus High track star, whose 88-yard touchdown run on his second carry of the season and his story book tackle which prevented a home team tally, featured a stiff game as the unbeaten and untied Sachems gained their ninth win by defeating Marblehead High, 25 to 0, today on muddy Joel W. Reynolds playground.

Marblehead, geared up to toss a monkey wrench into the famed Saugus machine, held the visitors to a 6-0 edge at the half. A long, off-the-wind 32-yard forward pass spiralled by Frankie Pyszko to Capt. Art Spinney set up the first touchdown for Pyszko from the one-yard line.

### SAUGUS GOES 75 YARDS FOR SCORE

Saugus turned on its crisp-block-power at the start of the third period and drove 75 yards in five first downs with Bob "Killer" Kane going over from the one-inch line.

was the only sustained march through the Yachting capital boys who battered down the hatches and sailed right in a great attempt to even things up.

The Headers received the next kickoff on their 34-yard line. Pete Barry picked up five yards and then popped through the line on a mousetrap play.

The Marblehead quarterback broke into the clear and picked up a two-man convoy and it looked like a sure touchdown as he tore over the white lines. Over on the other side of the field and behind was Mason, 10-second and better sprinter, who also wore No. 10.

The Saugus sprint ace smoked across the field, fought off two Marblehead interferers and brought down Barry on the Saugus 10-yard line.

Marblehead lost the ball on downs on the Saugus six. Pyszko nicked off six yards. Mason rounded right end and tore 88-yards for the third Saugus touchdown.

Another block tosser, Charley Sampson, was given the nod in the last period and galloped 42 yards around end for the fourth Saugus touchdown.

The Marbleheaders dominated most of the last quarter with four first downs to one. The running of Frank Tuxbury and the passes from Johnny Larkin to George Goodwin featured in the open game which started too late.

Bob Thurrell, Saugus punter, was a standout in the Sachems' line while Larkin starred for the losers.

## Comes from Behind To Trip Swampscott

Marblehead High came from behind to defeat Swampscott High, 19 to 8, in the annual game before 5000 fans yesterday at Swampscott.

Recovering a Swampscott fumble on the Swampscott 30-yard line shortly after the opening kickoff, John Larkin and Pete Barry worked the ball down to the two-yard line where Frank Tuxbury plunged over for the touchdown. Larkin skirted the end for the conversion.

Swampscott drove 75 yards for its only touchdown in the second period, Torrey going through the center from the two-yard line for the score.

Near the end of the period Larkin picked up a Swampscott kick on the Marblehead one-yard line, ran into his own end zone and was tackled by Charlie Carone for a safety.

Pete Barry ran 30 yards from scrimmage for a Marblehead touchdown in the third period, and the Headers worked the ball down from midfield late in the fourth period and Barry on a half-spinner went through the center for five yards and the final touchdown.

## Scholastic Football Review

Capt. Wally Brehnan of undefeated and untied Marlboro, captured the 1944 individual scoring crown of Eastern Massachusetts scholastic football, as he terminated a brilliant season, as he terminated a brilliant which were accumulated in each of his school's 10 victories.

John Trahon and Ken Rose, the scoring twins of St. Mary's of Brookline, finished second and third with 105 and 98 points respectively. Rev. John E. Sullivan, St. Mary's athletic director, and formerly of Salem, rates these boys with the best running backs he has ever seen in High school gridiron competition.

Dick Keon, Peabody's scoring ace, won fourth place with 95 points, and barely edged out Herb O'Connell of Coyle, whose 94 points awarded him fifth spot. Fran Pyzsko of Saugus, whose performance against the Suburban All-Stars, yesterday, was short of sensational, had to be content with a sixth place, although he garnered 91 points. Bill Aumen, Braintree's lustrous back, followed with 88 points, which were four more points than those chalked up by Bob Turner of Hanover. Stillo Boverini of Lynn Classical came in ninth with 82 points.

Bill Aumen of Braintree registered 35 points against Rockland to gain the distinction of scoring the most points in a single contest.

Tweet Walsh of Winchester kicked the most extra points as he booted 16 over the cross bars, which was one more than that accomplished by Bob Ray of unscored-on Dedham.

It is notable that our own Salem High, one of the strongest teams of the state, failed to place a back among the first 74 leading scorers.
